

Vivid Women make Companies Bright.
We Declare: Promotion of Women's Career Activities!

宣言企業詳細

Date of Declaration 2014/12/26

Date of Update 2015/04/21

We Declare!

●To improve workplace environment ●To increase women employee ●To expand women's work field

●To support women for continuing work ●To increase female manager

「Learn from a hundred-year tradition」「Create intellectual communities」「Establish prominent university at regional site」Based on those principles written above, Ehime University aims to realize the workplace-environment where entire membership is able to maximize their abilities regardless of gender, to nurture students as superior human resources having pride and self-aware for the next generation.

Yuichi Ohashi President, Ehime University

To realize our declaration, we are determined to make efforts on those issues.

- Implementing 'Declaration' and 'Proposals' for promoting gender equality in Ehime University
- Raising awareness for gender equality
- Increasing the rate of women in whole university-membership
- Supporting women's active career
- Nurturing and supporting female researchers
- Promoting compatible environment for both work and home
